Re: Formal Recognition of Reclamation Surety, Diamond K Gypsum Company, DKG
Gypsum Quarry, M/015/041, Emery County, Utah

Dear Mr. Anderson:

Please provide the Division with a written statement issued on behalf of the Emery County Commission officially recognizing the \$29,400 reclamation surety posted by Diamond K Gypsum. This written confirmation is needed to insure that Emery County will be contacted by the Division prior to releasing the reclamation surety for this operation at some future date. If you have any questions in this regard do not hesitate to call me or my supervisor Wayne Hedberg, here at the Division. Please address the statement to James Carter, Division Director at the address shown on this letterhead.

Sincerely,

Anthony A. Gallegos
Senior Reclamation Specialist
